CHANGE

By Iris D. Johnson, *Southfield Goodfellows President*

The one constant in this world is change. I first became aware of this phrase at a company where I once worked. “You know the ‘C’ in C___ is for change”, they would say. Change could be positive, such as a new addition to the family, a new home, or it could be negative, such as the loss of a job. I was always told, and I still believe to this day, that everything happens for a reason. It’s all in Divine order. Of course, it is quite difficult to see the purpose of a perceived negative change when it first happens. It was at those times that I took solace in the Serenity Prayer:

**“God, grant me the serenity
To accept the things I cannot change;
Courage to change the things I can;
And the wisdom to know the difference...”**

Not so long ago, I found myself stressed and overwhelmed. I was being pulled in many different directions. There was just so much to do and so little time to do it. I sometimes joked that I was much too busy to have a job. And then one day... I wasn’t. There is truth in the old adage, “Be careful what you wish for.” I now had the time to fully dedicate myself to the most important part of my life, my family, but it came at a cost. I feared how this would affect my family financially. This was also a setback to my self-esteem. Though we shouldn’t, we often associate who we are with what we do (our jobs). When I reflected on my situation, there were subtle and not so subtle nudges that I was supposed to make a change, but I made excuses instead. Now, the change was no longer in my control.

It took some time, but I did find the purpose in this event I once perceived as a tragedy. I changed my way of thinking. I realized that it was meant for me to be the caregiver for my granddaughter. After all, she needed me more than the job needed me. Yet another purpose of this change was to return to college to pursue a new and fulfilling career. It’s never too late to reinvent yourself. Where there wasn’t before, there was hope. I had been given a second chance. Through it all, I found myself surrounded with support from family, friends, and even strangers. I was open and accepting of their assistance and their love- a life lesson from years ago. When someone comes to your aid as your blessing, accept their help, as it might be the catalyst that will place you on your new path. Not accepting it impedes your development and blocks the blessing of the giver.

Many families face life-altering changes and crossroads. It could be the loss of a job, an illness, or a host of other concerns. Some are going through these difficult times at this very moment. They are feeling unsure and saddened. They feel there is no hope. Reach out to someone today. Embrace them, comfort them. The lyrics to the ‘70’s classic song, Lean on Me, seem to sum it up. There are points in all of our lives when we need someone’s help and someone needs ours. Let’s be the change in someone’s life today. “Be the change that you wish to see in the world,” -Mahatma Gandhi

Please be a blessing to others and share with them what you can this holiday season. A monetary gift of any size would truly help our cause. Remember, true abundance isn’t measured by what you have, rather by what you give. Please make your check or money order payable to the Southfield Goodfellows and mail it to: P.O. Box 2336, Southfield, MI 48037-2336. If you prefer to donate securely online, go to www.southfieldgoodfellows.org. Thank you for caring. Be blessed, Merry Christmas and Happy Holidays! If you have any questions or need additional information, please call and leave a message on our 24-hour voice mail at 248-788-5899.

How do we raise funds?

As an all-volunteer non-profit organization, the Southfield Goodfellows Organization solicits charitable contributions in a number of ways.

Each year we solicit donations from area businesses and residents. In the fall the Southfield Goodfellows Newsletter is sent to homes and businesses in the Southfield and Lathrup Village area. **The newsletter is one of our main sources of revenue.**

Last year, we raised over \$18,307 to purchase gift cards for 666 Southfield and Lathrup Village residents in need.

Additional charitable contributions are gladly accepted anytime, through our website at www.southfieldgoodfellows.org, or by mailing checks or money orders (payable to Southfield Goodfellows) to Southfield Goodfellows, P.O. Box 2336, Southfield, MI 48037. The Southfield Goodfellows may be contacted 24 hours a day, seven days a week, by leaving a message on our voicemail at (248) 788-5899.

Who are the Goodfellows?

The Southfield Goodfellows Organization is an all-volunteer non-profit organization, made up of everyday people like you and your neighbors.

Who qualifies for assistance?

The Southfield Goodfellows receive confidential recommendations from social workers, school personnel, religious institutions, police and fire departments, and concerned citizens to identify both families and individuals in need of assistance in the Southfield and Lathrup Village communities. *All qualified applicants receive food boxes and/or food/gift cards (if funds are available).

*In 2022, only gift cards were provided.

How can you help?

There are plenty of opportunities for the community to participate in assisting the Southfield Goodfellows – you can:

- Donate money to the Southfield Goodfellows for the purchase of clothing gift cards for children and food gift cards for families, to supplement the items collected and purchased.
- Sponsor a Gift Giving Tree – the Southfield Goodfellows will provide your organization with paper holiday ornament tags, each listing the first name, age and gender of a specific child in the community - to purchase new items or select from a suggested wish list.
- Sew, purchase, knit or crochet doll clothes – the Southfield Goodfellows purchase dolls, which individuals and/or groups then dress them as gifts.

Any one of these activities is a great way for either groups or individuals to lend a helping hand. What do we do?

We raise funds to assist low-income families with or without children and seniors in the Southfield and Lathrup Village communities during the December Holiday Season. The Southfield Goodfellows also provide assistance to individuals year-round through the City of Southfield Human Services Department Urgent Needs Program.

Why do we do it?

Our main motivation is the desire to assist families in our community who are experiencing short- or long-term financial difficulties during the December Holiday Season. Our primary goal is to assure that no child or senior in Southfield or Lathrup Village is forgotten during the holiday season.

How did it start?

In 1946, a small group of concerned citizens of Southfield Township recognized the need to assist a small number of families for the holiday season. This group chose to pursue their mission by emulating the traditional Goodfellows program. Since those early beginnings, Southfield and Lathrup Village each became incorporated cities whose needs have grown along with their populations.

The Gift Giving Tree Program

The Gift Giving Tree program has been one of our top fundraising efforts during our 77-year history. Unfortunately, for the past 3 years, we had to drastically change our operation. With the rising COVID-19 cases and social distancing mandates, we felt that our normal practice of receiving, sorting, and distributing food and gifts to the recipients could not be performed without endangering our recipients, volunteers, and donors. We decided that the best option would be to have recipients drive-up, staying safely in their vehicles, to receive gift cards. The Southfield Goodfellows, with the assistance of our generous supporters, were able to provide gift cards to 293 children and their families.

For 2023, we now feel comfortable in reinstituting our Gift Giving Tree Program. The Southfield Goodfellows work with volunteers to create paper holiday ornaments. Each ornament includes the first name, age, gender,

and a wish list of suggested items for the specific child recipient. The ornaments with wish lists will be forwarded to churches, businesses and other organizations for distribution to their employees/ members, who wish to participate in the program. All that is required is that there be at least one newly purchased and gift wrapped (or gift bagged) item for each child. The ornament is to be attached to the gift so that it can be routed to the appropriate child on Distribution Day. Anyone wishing to provide more than one item from the wish list is more than welcome. We have had some

very generous participants purchase everything on a child's wish list. It is noted that we can only accept newly purchased items. The Gift Giving Tree Program assures that a Southfield and Lathrup Village child on our recipient list receives a new gift for the holiday.
